FERROCARRILES NACIONALES**  
**Procedencia: JUZGADO LABORAL DEL CIRCUITO  
DE PUERTO BERRIO (ANT.)**

**Decisión: CONCEDE CASACIÓN**

**Medellín, veinticuatro (24) de marzo de dos mil veintidós (2022)**

En esta oportunidad provee el Tribunal sobre la procedencia del recurso extraordinario de casación interpuesto por el apoderado de la demandante, contra la Sentencia proferida por esta Sala el 11 de febrero de este año, dentro del proceso ordinario laboral de primera instancia promovido por LUZ MARINA RUIZ BERMÚDEZ en contra de FONDO PASIVO SOCIAL DE LOS FERROCARRILES NACIONALES.

La Sala previa deliberación sobre el asunto, acogió el proyecto presentado por el ponente el cual se traduce en la siguiente decisión.

**CONSIDERACIONES:**

De conformidad con el texto vigente del artículo 86 del CPT y SS, que corresponde al 43 de la Ley 712 de 2001; después de la sentencia C-372 del 12 de mayo de 2011 de la Corte Constitucional, que declaró inexecutable el artículo 48 de la Ley 1395 de 2010

modificatorio de esta norma, tenemos que *sólo serán susceptibles del recurso de casación los procesos cuya cuantía exceda de ciento veinte (120) veces el salario mínimo legal mensual vigente.*

De modo que actualmente el interés para recurrir en casación laboral asciende a la suma de \$120.000.000, tomando como base el salario mínimo mensual vigente para el año 2022 de \$1.000.000.

La jurisprudencia ha hablado sobre el interés jurídico para recurrir y ha señalado:

***“INTERES JURIDICO PARA RECURRIR EN CASACION - Concepto / CUANTIA E INTERES JURIDICO PARA RECURRIR EN CASACION - No siempre son nociones coincidentes. El criterio señalado por la Jurisprudencia para determinar la viabilidad del recurso de casación es el del interés jurídico para recurrir, el cual, aunque en algunos casos puede coincidir con la cuantía del pleito es diferente de ésta. El interés jurídico para recurrir en casación consiste en el agravio que sufre el impugnante con la sentencia gravada, que, tratándose del demandado, se traduce en la cuantía de las resoluciones que económicamente lo perjudiquen y, respecto del demandante, en el monto de las pretensiones que hubiesen sido denegadas por la sentencia que se intente impugnar, y en ambos casos teniendo en cuenta la conformidad o inconformidad del interesado respecto del fallo de primer grado.***

*Significa entonces, que cuantía e interés jurídico para recurrir no siempre son nociones coincidentes, y por lo tanto no le asiste razón al recurrente cuando afirma que el Tribunal al estudiar la viabilidad del recurso debió ceñirse al valor fijado como cuantía del pleito en la demanda. Era menester y así lo entendió el Juzgador, remitirse a lo que había sido materia de apelación por la parte actora, que resultaba relevante para determinar el real agravio sufrido por ella con el fallo de segunda instancia, objeto del recurso de casación. Así las cosas, para cuantificar el interés jurídico del demandante en este evento, se deben estimar no la totalidad de las pretensiones de la demanda sino solamente aquellas frente a las cuales manifestó su inconformidad con la debida sustentación, al haber sido negadas en primera instancia, que se reducen a la indemnización por despido injusto y a la moratoria por el no pago de calzado y vestido de labor.<sup>1</sup>”*

El JUZGADO LABORAL DEL CIRCUITO DE PUERTO BERRIO, en sentencia del 01 de octubre, absolvió al FONDO DE PASIVO SOCIAL FERROCARRILES NACIONALES DE COLOMBIA de todas las pretensiones incoadas en su contra, dado que cuando murió el trabajador 1984, no estaba contemplado en el Decreto 1848

de 1969, pensión de sobrevivientes para las esposas de empleados fallecidos que no cumplieran con los requisitos de la pensión de jubilación.

Esta instancia en sentencia emitida el 11 de febrero de 2022, confirmó la decisión del A quo.

En el presente caso, el interés jurídico de la parte demandante para acudir en casación, se determina frente al agravio que sufrió en ambas instancias al no prosperar sus pretensiones, se procedió a liquidar éstas de conformidad con lo dispuesto en el Decreto 3041 de 1966, y conforme a tabla anexa la cuantía asciende a \$602.658.488 valor que supera ampliamente el tope previsto por el legislador para que proceda el recurso de casación interpuesto, razón por la cual se concederá.

En mérito de lo expuesto, el **TRIBUNAL SUPERIOR DE ANTIOQUIA, SALA SEGUNDA DE DECISIÓN LABORAL**,

**R E S U E L V E:**
