Código General del Proceso

Artículo 384. Restitución de inmueble arrendado

8. Restitución provisional. Cualquiera que fuere la causal de restitución invocada, el demandante podrá solicitar que antes de la notificación del auto admisorio o en cualquier estado del proceso, se practique una diligencia de inspección judicial al inmueble, con el fin de verificar el estado en que se encuentra. Si durante la práctica de la diligencia se llegare a establecer que el bien se encuentra desocupado o abandonado, o en estado de grave deterioro o que pudiere llegar a sufrirlo, el juez, a solicitud del demandante, podrá ordenar, en la misma diligencia, la restitución provisional del bien, el cual se le entregará físicamente al

demandante, quien se abstendrá de arrendarlo hasta tanto no se encuentre en firme la sentencia que ordene la restitución del bien.

IV. CONSIDERACIONES.

La suscrita quiere manifestar el total desacuerdo con el auto de fecha AUTO de fecha 6 de marzo de 2023 y notificada por estado el 7 de marzo de 2023 en el entendido que se está violando el debido proceso, al no tener en cuenta la notificación electrónica hecha a la parte demandada en este proceso, toda vez que al momento de radicar la demanda se desconocía el correo electrónico de la parte pasiva, así como lo manifesté en el memorial allegado el 13 de diciembre de 2022 al despacho y aclarando que el correo electrónico del demandado lo tome de la antefirma, exactamente del acápite de notificaciones de la ACCION DE TUTELA que se adelantó en el JUZGADO NOVENO PENAL MUNICIPAL CON FUNCION DE CONOCIMIENTO DE BOGOTA D. C. con numero de radicado No. 2022-00135 que radico el señor JAIRO ENRIQUE NIÑO PEÑA en contra de la demandante de este proceso la señora LUZ JENANNETE GUERRERO ROJAS, después de radicada la demanda.

Lo anterior dando cumplimiento al artículo 8 de la ley 2213 de 2022, ya que informe como obtuve el correo electrónico y allegué las evidencias correspondientes.

Adicionalmente, no entiende la presente profesional del derecho y abogada litigante cómo es posible que se corran términos para la parte pasiva cuando el mismo ya allego un poder y contestación de demanda en enero, tal y como consta en la página de la rama judicial, esto beneficiando al demandado, generando una mayor confusión a las partes del proceso, y generando una doble sustentación. En segunda medida resalta la suscrita que el demandado no puso en conocimiento vía correo electrónico la contestación de la demanda tal y como lo establece el artículo 3 de la ley 2213/2022

Tampoco se comparte lo señalado en el numeral 4 del auto mencionado, donde se niega la medida provisional e inspección judicial, ya que, no se esta sustentando en debida forma, pues el numeral 8 del artículo 384 del Código General del Proceso no habla de requisitos, solamente se menciona que en cualquier estado del proceso se puede hacer la solicitud y precisamente se insta al juez a que haga la debida verificación del estado del inmueble.

Solicito se tenga en cuenta la notificación electrónica enviada en debida forma, y en el cual se señaló como se obtuvo el correo electrónico.

Solicito se tenga en cuenta la solicitud de la restitución provisional y se aclare los requisitos a los que se hace mención en el auto.

por ende, se revoque por parte del Despacho el auto de fecha 6 de marzo de 2023 y notificada por estado el 7 de marzo de 2023 ya que la suscrita se rigió por lo señalado en el artículo 384 del Código General del proceso y en la ley 2213/2022 en su momento procesal. Diferente hubiera sido si la suscrita manifestara la notificación sin sustentar de donde saco el correo electrónico.

V. PETICIONES.

PRIMERA: Admitir el presente recurso de reposición y en subsidio apelación.

SEGUNDA: Revocar el auto de fecha 6 de marzo de 2023 y notificada por estado el 7 de marzo de 2023

TERCERA: Reponer el auto de fecha 6 de marzo de 2023 y notificada por estado el 7 de marzo de 2023

CUARTA: De no proceder el presente recurso de reposición conceder y tramitar de manera subsidiaria el recurso de apelación.

Del señor Juez,

Atentamente,

Juzgado 75 Civil Municipal de Bogotá
E.S.D

Referencia; Ejecutivo de Banco Colpatria SA en contra de Sara Lorena Garcés Vega, 2022 1526

Julián Felipe Galindo Acero, mayor de edad, identificado como aparece al pie de mi correspondiente firma y vecino de la ciudad de Bogotá en mi condición de apoderado del señora **Sara Lorena Garcés Vega**, tal como consta en el poder el acompañó con el presente escrito, acudo a su despacho dentro del término concedido por el artículo 430 del Código General del proceso con el fin de interponer recurso de reposición en contra del mandamiento de pago de fecha 10 de febrero de 2023 y notificado personalmente a este apoderado el día 9 de marzo de 2023 con fundamento en lo siguiente.

I. Consideraciones del recurso.

a. Procedencia del recurso en contra del mandamiento de pago.

Con fundamento en lo establecido en el artículo 318 del Código General del Proceso, el recurso de reposición procede en contra los autos que dicte el juez de instancia o el ponente, el cual deberá interponerse dentro de los 3 días siguientes a la notificación.

En concordancia con lo establecido en el artículo 430 del mismo estatuto procesal mediante recurso de reposición, podrán discutirse los elementos formales del título ejecutivo; esto es la claridad, exigibilidad, la expresión legitimidad y procedencia del título con fundamento en lo establecido en el 422 del mismo estatuto procesal.

b. Fundamento del recurso de reposición.

El proceso ejecutivo, a diferencia de los demás procesos, parte de la existencia de un derecho cierto y definido, cuya finalidad compulsiva se circunscribe a la satisfacción de un derecho, en virtud de lo cual la acción ejecutiva solo la tiene aquél titular de una obligación ceñida a las reglas formales y sustanciales que prevé el artículo 422 del Código General del Proceso, disposición legal que de manera diáfana delimita los documentos que prestan mérito ejecutivo y señala los requisitos que éstos deben contener.

JULIAN FELIPE GALINDO ACERO

ABOGADO

Al tenor del aludido precepto, sólo pueden demandarse ejecutivamente las obligaciones expresas, claras y exigibles que consten en documentos que provengan del deudor o de su causante y constituyan plena prueba contra él, o las emanadas de una sentencia judicial o de la confesión.

De manera que cuando la acción ejecutiva se impulsa al cumplimiento de una obligación de pagar determinada suma líquida de dinero artículo 424 Código General del Proceso, así como las demás prestaciones de dar, hacer, o no hacer, necesariamente debe tener como fuente la existencia de un documento que recoja en su integridad las condiciones determinadas por el legislador en el citado artículo 422, demarcadas por elementos sustanciales y formales, conocidos los primeros como los requisitos básicos relacionados con claridad, expresividad y exigibilidad de la obligación, en tanto que su aspecto formal, se refiere a la necesidad de que el derecho subjetivo reclamado, conste en un documento que provenga del deudor o de su causante, o que se trate de alguna de las actuaciones judiciales o administrativas expresamente determinadas en el precepto legal

Los elementos formales implican que la obligación sea:

1. **Clara:** Este precepto reclama que los elementos de la obligación estén consignados en el título de manera inequívoca y que la descripción de las características de la presentación ofrezca plena certidumbre al intérprete, lo que supone que los vocablos empleados sean compresibles tengan significado unívocos en el contexto y no sean contradictorios entre sí.

Se tiene el título base de la ejecución es un pagaré con el adhesivo TV 807964 firma por quien al parecer responde al nombre de Sara Lorena Garces Vega junto con una carta de instrucciones sin firma, el cual, por instrucciones dadas por el deudor, debía ser llenado el día del incumplimiento facultando al banco al acelerar el plazo faltante.

Ahora bien, al parecer el legítimo tenedor procedió al lleno de los espacios en blanco en punto del importe del pagare por la suma de \$ 29.676.053,42; posterior a ello la proforma de la entidad financiera establece que la anterior suma de dinero corresponde a las obligaciones y a las sumas que a continuación discrimina

“Capital \$ 8.915.741.00 - \$ 6.917.691.00.”

“Intereses de Plazo \$ 1.411.803.00 - \$ 953.533.00”

“Intereses de Mora \$ 6.355.004,71 - \$ 4.989.240,71”

“Otros \$ 86.140.00 – 52.900.00”

“Total \$ 16.768.688.71 – 12.907.364,71”

De la confusa redacción de los hechos y las pretensiones de la demanda, el hoy ejecutante pretende que su señoría libre una orden de pago por \$ 15.827,432,00 por concepto de capital por la suma de \$ 11.344.245.40 por concepto de intereses de mora por la suma de \$ 2.365.336.00 por intereses moratorios y por la suma de \$ 139.040.00 por un valor que no se tiene certeza a que obedece.

JULIAN FELIPE GALINDO ACERO
ABOGADO

Sea lo primero advertir que el valor del capital solicitado en la demanda no corresponde al presunto valor del capital por cuanto la diferencia en los valores contenidos en l pagare base de la ejecución con la redacción de la demanda es de \$ 6.000.00 lo que denota una falta de claridad del título y su señoría al momento de librar el mandamiento ejecutivo no advirtió tal diferencia en la redacción de la demanda con las cifras impuestas en el pagare librando mandamiento de pago conforme a la redacción de la demanda y no con el tenor literal del título báculo de ejecución.

Seguidamente su señoría libro mandamiento de pago por la suma de \$ 11.344.245,40 sin que se detuviera hacer el análisis de los intereses moratorios por los cuales le solicitaron el mandamiento de pago correspondían en realidad al valor de los intereses o no.

Conforme a la redacción del pagare báculo de la ejecución se tiene que el vencimiento lo estableció el legítimo tenedor en día 6 de octubre de 2020 los que haría pensar que dichos intereses de mora corresponden al periodo del 7 de octubre de 2020 a la fecha de presentación de la demanda esto es, el 8 de noviembre de 2022. El valor por cual se libró no corresponde a los intereses moratorios de dicho periodo, existiendo una diferencia a favor de mi mandante en la suma de \$ 2.004.233.00, nuevamente su señoría no hizo el control de si la suma solicitada y indicada en el pagare correspondía realmente al valor de los intereses moratorios, los intereses moratorios de los capitales en el importe del pagare serían los siguientes con forme al siguiente cuadro.

Valor por la cual debió librarse el mandamiento de pago y debió ser indicada en el pagare esto es la suma de \$ 9 340.012.00 y no \$ 11.344.245 como lo incorporó el pagare y lo solicito el demandante.

Lo más aberrante en la solicitud de pago de intereses remuneratorios por valor de \$ 2 365.336.00 y el despacho nuevamente sin revisar si ese valor realmente correspondía a los intereses remuneratorios libró mandamiento de pago sin ni siquiera establecer sobre qué periodo correspondía dicho interés y el demandante ni en el titulo establecen tal periodo.

Nuevamente su señoría hay que leer la redacción del pagare para tratar de establecer el periodo de cobro de intereses remuneratorios, lo primero es que la tasa al no estar pactada en el texto del pagare por remisión normativa la tasa corresponde al Interés Bancario Corriente efectiva anual como la misma obligación fue pactada por instalamentos el cobro del intereses remuneratorio corresponde al periodo de tiempo en que debía

hacerse el pago y cuando se declaró vencida la obligación, si la obligación se pacto a 30 días cada pago quiere decir que el intereses remuneratorio debía corresponder al periodo de 6 de septiembre de 2020 a 6 de octubre de 2020 fecha en la cual se declaró vencido el importe del titulo valor. Para la fecha de septiembre de 2020 la tasa efectiva anual para interés bancario corriente era de 18,35 % EA y es sobre esta tasa en la que se debía liquidar los intereses que para un capital de \$ 15.833.432.00 es de la suma de \$ 281.901.06 existiendo una diferencia a favor de mi mandante por valor de \$ 2.083.435.00 de acuerdo con el siguiente cuadro.

1	\$	15.833.432,00	1/09/2020	30/09/2020	30	18,35%	\$	242.119,56
2	\$	15.833.432,00	1/10/2020	5/10/2020	5	18,09%	\$	39.781,50

Es claro señor juez que no existe título que contenga la obligación por el importe referido en la demanda y por la cual se libró mandamiento ejecutivo, ahora bien, la cifras impuestas en el pagare no corresponden a los conceptos puestos en el pagare tal como se lo acabo de advertir por tal razón el pagare no tiene el elemento de calidad que se debe predicar de los titulo valores y de los títulos ejecutivos conforme a las voces del articulo 422 del Código General del Proceso.

2. **Expresa**, es decir, que se indique la voluntad inequívoca de crearla y la forma en que debe ser satisfecha.

Al presente proceso se aportó el pagaré adhesivo TV 807964 firma por quien al parecer responde al nombre de Sara Lorena Garcés Vega junto con una carta de instrucciones sin firma, conforme a las voces del articulo 621 y 622 del Código de Comercio dicho titulo para que sea existente esto es produzca los efectos jurídicos esperados desde el le punto del derecho que incorpora requiere las instrucciones dadas por el suscriptor del título las instrucciones escritas ofrecidas adolecen de requisito de por lo tanto no satisface la expresividad de la voluntad del deudor.

II. Medios de Prueba.

Dictamen pericial, Señor juez le ofrezco un dictamen pericial financiero con el fin de determinar si el pagare suscrito al parecer por la **Sara Lorena Garcés Vega**, y del cual su señoría libro mandamiento de pago, fue llenado por el legítimo tenedor por los valores correspondientes al capital adeudado, intereses remuneratorios pactados, intereses moratorios pactados, el objeto de este dictamen pericial es probar la falta de claridad del título base de la ejecución, para lo cual le solicito con fundamento en lo regulado en el artículo 227 y 228 del Código General del Proceso que se me otorgue un término no inferior a 10 días para que una vez decretado sea entregado al despacho y a mi contraparte.
